

Premium Acoustic Ceiling Baffles

Spec Data Sheet

Acoustic Ceiling Baffles ANC-600P from All Noise Control are a superior product solving any reverberation problems. It is ideal for applications which require baffles that have a "crisp" corner and a finished face. This makes our ANC-600P ceiling baffles have an aesthetic finished look as well as superior noise control and sound absorption properties. ANC-600P Ceiling Baffles is 1 ½ " thick in standard 2'x4' sizes. They are available up to 4'x8' for larger applications.
